86 words in this Enochian Call.

[Invokes the whole Tablet of Spirit]

I REIGN over ye, saith the God of Justice, in power exalted above the Firmament of Wrath, in whose hands the Sun is as a sword, and the Moon as a through thrusting Fire: who measureth your Garments in the midst of my Vestures, and trussed you together as the palms of my hands. Whose seats I garnished with the Fire of Gathering, and beautified your garments with admiration. To whom I made a law to govern the Holy Ones, and delivered ye a Rod, with the Ark of Knowledge. Moreover you lifted up your voices and swear obedience and faith to Him that liveth and triumpheth: whose beginning is not, nor end cannot be : which shineth as a flame in the midst of your palaces, and reigneth amongst you as the balance of righteousness and truth!

Move therefore, and shew yourselves! Open the mysteries of your creation! Be friendly unto me, for I am the servant of the same your God: the true worshipper of the Highest!

CAN the Wings of the Winds understand your voices of Wonder? O you! the second of the First! whom the burning flames have framed in the depths of my Jaws! Whom I have prepared as cups for a wedding, or as the flowers in their beauty for the chamber of Righteousness! Stronger are your feet than the barren stone, and mightier

are your voices than the manifold winds! For you are become a building such as is not, save in the Mind of the All-Powerful.

Arise, saith the First: Move therefore unto his servants! Shew yourselves in power, and make me a strong Seer-of-things:7 for I am of Him that liveth for ever!

80 words in this Enochian Call.

BEHOLD! saith your God! I am a circle on whose hands stand Twelve Kingdoms. Six are the seats of living breath, the rest are as sharp sickles or the Horns of Death. Wherein the creatures of Earth are and are not, except (in) mine own hands; which sleep and shall rise. In the First I made ye stewards and placed ye in twelve seats of government: giving unto every one of you power successively over the 456 true ages of time: to the intent that from the highest vessels and the corners of your governments you might work my Power, pouring down the fires of life and increase continually on the earth. Thus you are become the skirts of Justice and Truth. In the name of the same your God, lift up, I say, yourselves! Behold! his mercies flourish and (His) Name is become mighty among us. In whom we say: Move! Descend! and apply yourselves unto us as unto the partakers of His Secret Wisdom in your Creation.

I HAVE set my feet in the South, and have looked about me, saying: are not the thunders of increase numbered 33, which reign in the second Angle? Under whom I have placed 9639: whom none hath yet numbered, but One; in whom the Second Beginnings of Things are and wax strong, which also successively are the Numbers of Time: and their powers are as the first 456. Arise! you sons of Pleasure! and visit the earth: for I am the Lord your God; which is and liveth (for ever)! In the name of the Creator, move! and shew yourselves as pleasant deliverers, that you may praise him among the sons of men!

The mighty sounds have entered into the third angle, and are become as olives in the Olive Mount; looking with gladness upon the earth, and dwelling in the brightness of the Heavens as continual Comforters. Unto whom I fastened 19 Pillars of Gladness, and gave them vessels to water the earth with her creatures; and they are the brothers of the First and Second, and the beginning of their own seats, which are garnished with 69,636 ever-burning lamps: whose numbers are as the First, the Ends, and the Contents of Time. Therefore come ye and obey your creation: visit us in peace and comfort: conclude us receivers of your mysteries: for why? Our Lord and Master is the All-One!

### **MARK WELL!**

These first 18 calls are in reality 19; that is, 19 in the Celestial Orders; but with us the first table hath no call, and can have no call, seeing that it is of the Godhead.(15)  
Thus, then, with us hath it the number 0, though with them that of 1. (Even as the first key of the ROTA hath the number 0.) After this follow the calls or keys of the Thirty Aires of Æthyrs: which are in substance similar, though, in the name of the Æthyrs, diversified. O YE heavens which dwell in the first Aire, ye are mighty in the parts of the Earth, and execute the Judgement of the Highest! Unto you it is said: Behold the Face of your God, the beginning of Comfort, whose eyes are the brightness of the Heavens, which provided you for the Government of the Earth, and her unspeakable variety, furnishing you with a power of understanding to dispose all things according to the Providence of Him that sitteth on the Holy Throne, and rose up in the Beginning, saying: The Earth, let her be governed by her parts, and let there be Division in her, that the glory of her may be always drunken, and vexed in itself. Her course, let in run with the Heavens; and as an handmaid let her serve them. One season, let it confound another, and let there be no creature upon or within her the same. All her members, let them differ in their qualities, and let there be no one Creature equal with another. The reasonable Creatures of the Earth, and Men, let them vex and weed out one another; and their dwelling-places, let them forget their Names. The work of man and his pomp, let them be defaced. His buildings, let them become Caves for the beasts of the Field! Confound her understanding with darkness! For why? it repenteth me that I have made Man. One while let her be known, and another while a stranger: because she is the bed of an Harlot, and the dwelling-place of him that is fallen.

O ye Heavens, arise! The lower heavens beneath you, let them serve you! Govern those that govern! Cast down such as fall. Bring forth with those that increase, and destroy the rotten. No place let it remain in one number. Add and diminish until the stars be numbers. Arise! Move! and appear before the Covenant of His mouth, which He hath sworn unto us in His Justice. Open the Mysteries of your Creation, and make us partakers of THE UNDEFILED KNOWLEDGE.18

## NOTES

34

Transcriber's notes

Do what thou wilt shall be the whole of the Law.

Liber Chanokh was first published in two parts as "A Brief Abstract of the Symbolic Representation of the Universe derived by Doctor John Dee through the scrying of Sir Edward

Kelly" in Equinox vol. I nos. 7-8. The second part bore an A\A\ Class B imprimatur on first

publication. The alternate title and number (84 = ]wnj, the Hebrew name anglicised as Enoch)

were given in the list of Class B publications in Equinox vol. I no. 10, where it was also stated

"Its publication is at present incomplete." In the Blue Equinox, a continuation of Chanokh was

advertised for publication in Equinox vol. III, but along with many things in that list it was

never published, and quite possibly never written.

The present edition consists of the two published sections. All footnotes are from the Equinox

publication; all endnotes by the present transcriber. Of course in some senses Liber Chanokh is

redundant as there are far better guides to both "Dee purist" and Golden Dawn Enochian magick

out there; the present edition – part of an ongoing project of producing good electronic copies of

the magical instructions from the Equinox – was in large measure a reaction to the insanity of

attempting to render the complex figures in ASCII or as text descriptions.

It is not clear what was intended for inclusion in the unpublished parts; to adequately deal with

all the matters mentioned in Crowley's "prefatory note" would probably take a few books.

At the time Crowley was writing, the Tables of Soyga were mostly lost (eight of the tables had

been copied into Sloane MS 3189) and known mainly by passing references in the Dee diaries

and papers by Elias Ashmole. The "Book of Soyga" was rediscovered by Dee scholar Deborah

Harkness in 1994; copies exist in the British Library (Sloane MS 8) and the Bodleian (Bodley

908); the former is believed to be the copy owned by Dee. Besides various writings on magick

this book contains 36 cryptic tables of letters. These were solved in 1998 by Jim Reeds, a cryptographer working for AT&T Labs (see Reeds' article "John Dee and the Magic Tables in

the Book of Soyga”; unfortunately, since Reeds left AT&T this is no longer online). Note that these tables predate the Dee-Kelly workings, and Dee does not seem to have known what they were and what to do with them: he repeatedly asked about them and received vague or evasive answers from Kelly and/or the angels.

The Heptarchic system of planetary magick is covered by Turner (1983) and James (1984), and a “Golden-Dawn-ized” version is presented by Zalewski (1990). It is set out in two MS digests by Dee, *De Heptarchia Mystica* in Sloane 3191, and *Compendium Heptarchia Mystica* (Add. MS 36,674). This material is drawn from the skrying sessions recorded in Sloane MS 3188, principally Tertius and Quartus but incorporating material from all the books. It is not clear whether what Dee meant by the “Book of Enoch” was the “Tablets of Enoch” which are definitely identical with the tablets composing the Great Table (Table of Watchtowers), or *Liber Logaeth*, though the latter seems to be the favoured interpretation.

*Logaeth* survives in BL Sloane MS 3189, *Liber Mysteriorum Sextus et Sanctus*, in Edward Kelly’s handwriting. This copy has the title “The Book of Enoch, revealed to Dr. John Dee by the Angels”, interpolated by Elias Ashmole. To the best of my knowledge nobody has deciphered *Logaeth* to date. Thomas Head (in Regardie (ed.), 1984) claimed to have been able to solve some of the tables and tentatively translate some of the material in the “Angelic language” contained in the book; he did not give further details and as far as I am aware has not published his findings. Some researchers (e.g. Laycock, 1978) are of the opinion that the material recorded in *Logaeth* may be a glossolalia.
